Dear *Sister*

Since contacting you a few weeks ago we note you have been unable to attend Sacrament meeting. May we again in the spirit of love and appreciation of your service ask that you take care of this important assignment. The church today in general is giving great stress to the importance of the Leadership attending Sacrament meeting. The Lord has promised great blessings and the peace of mind and benefits derived in fulfilling this commandment are many fold. Again accept our appreciation for your service rendered.

Sincerely your brethren,

Otto S. Shill
