

Mesa, Arizona  
July 22, 1966

Dear Jack:

Just came back after a couple of days at Paul's cabin at Bear Flat - and it was nity nice up there. He has a real good set-up there - very comfortable situation and we had a couple of showers and it was cool and good sleepin. We all enjoyed it but Linda and Sue and they were bored to death.

When got back, among the mail was the "Annual agreement for Residence in University Halls" from the office of student houseing.

It had your reservation in Helaman Halls for the school year 1966-7. XXXX it says:

If you accept this reservation, please sign the original housing agreement and return to this office on or prior to August 3, 1966.

To finalize the reservation, it says, the first payment must be made on or prior to August 3, 1966. And it says to send in payment as scheduled in the houseing agreement. It notes that we previously paid the #10.00 application fee.

It says that the Room or apartment number and Roommate assignments will be mailed as soon as possible after July. and that you will also receive further information: (1) a definite room or apartment numb (2) the time you should arrive (3) what you should bring.

It says Roommate Requests will be honored provided the requested roommate has submitted an application and advance payment by the time assignments are made and provided both parties have priority for assignment X to the same unit. After July 1, it becomes exceedingly X difficult to promise roommates for a specific room or apartment. It says, "Do not write askfing for this information for you will receive it prior to Sept. 1.

You remember Jack, that we asked that Lynn Bedford be your roommate and as far as I can tell that should be the way it would work out.

The schedule of payments is - Aug 3, \$145.00 - Oct 3, \$60.00, - Nov. 1, \$60.00 - Dec 1, \$60.00 - Then for the next Semester it starts over - Jan 3, \$145.00 - Feb 1, \$60.00 -March 1, \$60.00 and April 3, \$60.00

It further states that if after you pay the initial \$145.00 that \$40.00 of this - plus the 10.00 deposit which we previously made will be withheld if you decide not to go there to school.

The way I understand it, this is where you want to go. However I will hold off finalizing this until I get confirmation from you on this. - but this needs to be done - or I should hear back from you by August 2.

Actually, the place to go to school, it seems to me - is wherever you figure you could keep in the upper 1/2 in your class in order to receive or keep a student deferrment. I would imagine it might be as easy to do this at BYU as anyplace else - but you may have an idea on this. I would like to see you go to school a year two if it is possible.

I am enclosing a "New Freshman Supplementary Housing Agreement" - which apparently covers the Orientation Period - September 10-15, for board and room.

I am not sure that you have to have this - and if you do, please return this and I will put the \$17.00 with it and reserve your room and board for this period too.

But in any event please gimme the scoop - so that I will kno how I should move. Actually Jack, if I dont happen to hear from you, I reckon I should see that the \$145.00 is in to them by August 3, which means I should mail it by August 2.

I hope this gives you time to get word back - and I am sure it would be necessary to get back to me by return mail as I believe it takes about 5 to 7 days to get a letter back from Bs. As.

If you - by any chance at all - decide you arent going up there to school - and we dont have the ~~xxxxxxx~~ 5 to 7 days - m ybe you better wire me yes or no or maybe.

I guess I told you we got a real nice letter from your Mission President when you got your latest assignment. - Keep up the good work Jack.

Love from Dad - Mom and the group.

Got a letter - or card from Bob and Peg. Seems that there wers some of the men got their assignments from where Bob is situated - but his was not on the list - so they are still hoping - but looks like Bob may be assigned about the 25th of July - and Peg said she would Call us when they found out something.

They are prayerful so I am sure that whatever is done will be for the best.

See ya.
