

Dear Elder Coleman:

25 de junio

¡Escapaste de San Fernando! que bien. Estas procurando. ha ha. I see they have moved you to another branch. How is the work going in Piniers. I sure glad you are district leader because you deserve it. You did a wonderful job in San Fernando and god it was great to be in the same district.

How is Elder Paley doing? Tell him or better remind him of the debt he has with me. He bought ~~me~~ some petricula from me as owes me for it. Could you asked him about it?

I'm writing to tell you I plan to go to A.S.H. to ~~the~~ school. Are you going there also? Looking at the dates I decided to leave about the 5th or 6th. I wrote President Strong and he approved it. When are you going home? If you want to travel together you could go to the mission home and plane the trip home. What time do you plan to leave? I'd sure like ~~to~~ to go with you if you plan to leave about this time. Write and tell me what you plan to do. OK.

Tell Edie Daly that they baptized La
Humana Sanya last Sunday. I have
had 8 baptisms here in Rosario. The
work is going más o menos but the members
don't help us much.

I sure hope to see you soon. My
how time flies.

All I can say inclosing is:

I would rather be dead than

~~RED~~ RED

what a ~~thing~~ ~~state~~

must be ~~red~~ ~~red~~

The ~~ugly~~ ugly Color Red.

RED is better dead

ARE you in the RED?

Amno

Elder Banker

of course I never
sign with red ink
because it stinks.

See you soon
